*Spend Sunday, April 10th, and the previous Saturday afternoon and evening in Madison with other Wisconsinites as we convene the first in a series of meetings of the Wisconsin People's Assembly. By participating in the Assembly, you will have the opportunity to meet, learn from, and build lasting personal connections with Wisconsinites coming from all trades, communities, and backgrounds.*

*Together, we will create the kind of solidarity and strategies required to overcome the corporate takeover of our state, reverse the damage that has already been done, and win reforms that strengthen Wisconsin's democracy for future generations.*
